

Assistant Professor Koh Ming Joo (许民瑜)

(President's Assistant Professor)

One Ph.D. Candidate Position Available

We have 1 Ph.D. candidate position available in January 2019 for individuals who are interested in pursuing Ph.D. studies in Singapore. Talented and self-motivated chemists with a strong background in synthetic organic chemistry, organometallic chemistry, fluorine chemistry, medicinal chemistry and/or natural product synthesis are welcome to join us. Good English proficiency and communication skills are mandatory. Please visit Dr. Koh's webpage at http://www.chemistry.nus.edu.sg/people/academic_staff/kohmj.htm and send an electronic copy of your curriculum vitae (CV) and research summary to Dr. Koh at chmkmj@nus.edu.sg as soon as possible. For further enquiries, please contact Dr. Koh via email.
